

the Willi Hennig Society

28th Annual Meeting of the Willi Hennig Society Singapore 22-26 June 2009

The 28th Annual Meeting of the Willi Hennig Society will take place in Singapore from the 22.6.-26.6.2009. The meeting will be hosted by the National University of Singapore and the Singapore Botanic Gardens (National Parks Board) and take place in the Function Hall of the Singapore Botanic Gardens (<http://www.sbg.org.sg/visitorinfo/venueforrent.asp>). Currently four symposia have been scheduled:

1. Use of EST libraries for phylogeny reconstruction
2. Phylogenetic approaches to public and environmental health
3. Taxonomy in the 21st century: New tools and dissemination media
4. Southeast Asian biogeography and speciation

Please contact Rudolf Meier (dbsmr@nus.edu.sg), Benito Tan (Benito_TAN@nparks.gov.sg), or Ngan Kee Ng (dbsngnk@nus.edu.sg) for further information and/or if you are interested in proposing additional symposia.

With best wishes,

Rudolf Meier¹
Benito Tan²
Ngan Kee Ng¹
